DEVELOPMENTAL PAEDIATRICIAN: ALBERTA CHILDREN’S HOSPITAL, UNIVERSITY OF CALGARY

The Section of Developmental Paediatrics, Department of Paediatrics, Alberta Children’s Hospital, Alberta Health Services (Calgary Zone), and the University of Calgary invite applications for a clinical position, at the Clinical Assistant Professor level. The position involves 70% time for clinical activity and 30% dedicated to education and research. Developmental Paediatrics is designated by the Alberta Children’s Hospital, Department of Paediatrics as a program that receives priority for support and growth.

The successful candidate would join 3 developmental pediatricians, 2 developmental psychiatrists, 1 pediatric neurologist, and 4 community pediatricians. Our section maintains close ties with neurology, neuromotor, mental health and genetics sections. The ideal candidate will have an interest and skills related to Autism, Neuromotor conditions and ADHD. Demonstrated interest and motivation for educational activities related to Developmental Paediatrics is an asset.

The Section of Developmental Paediatrics is based on the state-of-the-art Alberta Children’s Hospital (ACH) as well as at the Child Development Centre. Service population includes the Calgary region, southern Alberta, southwestern Saskatchewan, and southeastern British Columbia (for a total of approximately 2+ million).

Calgary is a modern and rapidly growing cosmopolitan municipality located in Alberta with a population of over 1.2 million people, and boasts an excellent school system (both public & private), a vibrant international cultural scene, with proximity to the Canadian Rockies (Banff and Jasper National Parks). Calgary is beautifully laid out with rivers, parks and other recreational areas. There are plentiful opportunities for delving into the arts, music and sports. Many attributes contribute to an overall outstanding quality of life.

Qualifications include an MD, certification by the Royal College of Physicians and Surgeons of Canada in Developmental Paediatrics, or equivalent. The successful candidate must be eligible for licensure in the Province of Alberta.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents of Canada. However, international candidates are welcome to apply. The Alberta Children’s Hospital, Alberta Health Services, and the University of Calgary are committed to employment equity.

Please submit your curriculum vitae, statement of career interests, and the names of three referees by March 12, 2016 to:

James D. Kellner MD, FRCPC
Professor and Head,
Department of Paediatrics
Alberta Children’s Hospital
2888 Shaganappi Trail NW
Calgary, Alberta, Canada T3B 6A8
Phone: 403.955.7802  Fax: 403.955.3065
E-mail: Jim.Kellner@albertahealthservices.ca

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. The University of Calgary respects, appreciates, and encourages diversity.
