**Pediatric Neurologist**

**Location / Department**: Saint John, NB Canada  
**Facility**: Saint John Regional Hospital

**Imagine…** A playground in Atlantic Canada surrounded by fresh waterways on one side and the ocean on the other.  
**Join…** A pediatric department that believes in collaboration, teamwork, research, medical education and excellence in clinical care.

Horizon Health Network is the largest health-care organization in Atlantic Canada, operating 12 hospitals and more than 100 medical facilities, clinics and offices providing medical services ranging from acute care to community based health services to New Brunswick, northern Nova Scotia and Prince Edward Island. With 1000 physicians, an annual budget exceeding $1 billion and approximately 13,000 employees, Horizon Health Network’s strategic vision focuses on research, innovation and education.

The Saint John Regional Hospital is the largest facility in New Brunswick and serves a population of 200,000 in the southern part of the province. A flagship hospital, we have 23 areas of specialty medicine and surgery, and are supported by a vast array of research, education, health promotion activities and community partnerships.

Opportunity for Paediatric Neurologist in Saint John, New Brunswick to replace a retiring neurologist in the summer 2015 or 2016 in either a fee for service or salaried environment.

- Would be joining one other Pediatric Neurologist covering a full range of child Neurology from a population of 700,000 in New Brunswick.
- Would work with Pediatricians and Neonatologists in Saint John and other centers in the province, supported by a full range of other sub-specialists at the IWK hospital in Halifax, Nova Scotia.
- Would have an active role in teaching medical students from Dalhousie and Memorial University as well as Family Medicine and Pediatric residents.
- This is a fee for service clinical position with teaching stipends in addition.
- Competency in English and French would be preferable.

Candidates must be eligible for full licensure in the Province of New Brunswick as a certified specialist in Pediatric neurology.
