

PAEDIATRICIANS NEEDED IN A MULTI-SPECIALTY CLINIC

360 Medical Centre is a multi-speciality clinic in the heart of Richmond Hill at Bayview & Highway 7 East. Our vision is to have an all-rounded medical clinic to provide comprehensive medical care for our patients quickly & efficiently. Our current medical specialist team include a Nephrologist, Neurologist, Cardiologist & two Internists. We are also privileged to have a Traditional Chinese Medicine Practitioner & Acupuncturist, Registered Dietitian & Psychotherapist at our clinic. We have a Pharmacy on-site for the convenience of patients as well.

By the first quarter of 2019, we will be expanding our practice to include a Family Practice, develop a Walk-In Clinic & will increase the number of physicians at our clinic.

We are looking for Paediatricians to join our team so that we may also provide the children in our community high quality, comprehensive & effective care.

Clinic Key Features:

- > fully-equipped, turn-key, newly-renovated clinic
- > highly populated residential area with many new condominium buildings & townhouses being built
- > close to many ancillary services including physiotherapy, laboratories & imaging
- > specialists, registered dietitian, psychotherapist on-site
- > pharmacy on-site
- > EMR: PS Suite
- > competitive & negotiable compensation, flexible terms & hours
- > new graduates & IMGs with full licensure are welcomed

If you are interested in joining our multi-specialty, multi-disciplinary team, please contact Zerlina at zerlina.lim@360medicalcentre.ca or 647-960-3601.
