Over 35 years ago, the original PREP® Pediatrics Review and Education program was created by experts at the American Academy of Pediatrics. It has become the gold standard for continuing paediatric professional development introduced in residency programs and paramount to both generalists and subspecialists.

Whether you need to satisfy ABP Maintenance of Certification (MOC) requirements, stay current with state of the art CME, or review with authoritative content for exam preparation, PREP has you covered—with self-assessment products in general paediatrics and 10 areas of specialty care.

Find the PREParation you need within these pages. Paediatric subspecialists can take advantage of special multi-year packages or group rates (see page 6).

Join your colleagues in using PREP as a fun way to test your skills, fill learning gaps, and stay on top of your professional goals.

Use the enclosed order forms to select editions and calculate your order. For your convenience, there are four ways to order:

- **Online:** For faster service, subscribe online at: [http://eweb.aap.org/journals](http://eweb.aap.org/journals)
- **Mail:** American Academy of Pediatrics
  72139 Eagle Way
  Chicago, Illinois 60678-7251
- **Fax:** 847/228-1281
- **Phone:** 866/THE-AAP1 (866/843-2271)
Growing your knowledge in paediatrics never ends. Stay current and get MOC points and *AMA PRA Category 1 Credits™* with the comprehensive PREP® Self Assessment plus 12 monthly issues of the well-respected *Pediatrics in Review®* Journal. Together, these components are designed to cover the majority of the American Board of Pediatrics (ABP) content specifications over a five year cycle. Don’t scramble to review for examination! Be PREPared by staying current with PREP® The Curriculum.

**What comes with a subscription to PREP The Curriculum?**

**PREP® Self-Assessment**
- More than 250 case-based questions with detailed explanations of the preferred response, along with a discussion of why other choices were considered wrong.
- PREP® Self-Assessment is delivered in print and mobile-optimized online formats.
- Excellent preparation for the MOC examination.
- PREP Self-Assessment offers a maximum of 40.00 *AMA PRA Category 1 Credits™*.

**Pediatrics in Review®**
- 12 issues of *Pediatrics in Review* delivered in print and online.
- Articles and case scenarios cover select ABP content specifications and feature timely reviews packed with evidence-based information and practical solutions.
- *Pediatrics in Review* offers 36.00 CME articles per year. A maximum of 1.00 *AMA PRA Category 1 Credit™* is earned after achieving a 60% score on each designated quiz.

"PREP updated me in many subjects… making this a very positive experience.”
“Our time is precious—very limited, and demanding in life. I have done PREP forever; it is the best way of learning.”

*See CME, page 11*
What’s included with a subscription to PREP The Curriculum?

• Robust search functionality allows you to select topic areas for targeted review.
• Exam mode and learning mode options allow you to either test your strengths and weaknesses, or earn CME credit as you learn.
• Reset feature allows you unlimited attempts to review and repeat the mock exam.
• Performance Summary allows you to compare your performance in each topic area with that of your peers.
• After achieving a 70% score on the self-assessment, you can transmit your completion data directly to the ABP from the PREP program.
• Subscribers can join the PREP Study Group to stay on course and meet your study goals. New search parameter helps you navigate each month’s assignment.

PREP® The Curriculum joins PREP® Self-Assessment with Pediatrics in Review® for maximum review and lifelong learning based on ABP content specifications.

In order to successfully complete the general pediatrics PREP® Self-Assessment Programs (Section 3) as defined by the Maintenance of Certification Program of The Royal College of Physicians & Surgeons of Canada, and approved by the Canadian Paediatric Society on 11/09/2013 and expires 31/12/2016. Remember to visit MAINPORT to record your learning and outcomes.

PREP® Self-Assessment: Participants may claim up to 40 hours (credits are automatically calculated) under MOC Section 3 (Assessment).

Pediatrics in Review™: Participants may claim up to 36 hours (credits are automatically calculated) under MOC Section 2 (Self-Learning).

NeoReviewsPlus™: Self-Assessment: Participants may claim up to 24 hours (credits are automatically calculated) under MOC Section 3 (Assessment).

NeoReviews™: Participants may claim up to 24 hours (credits are automatically calculated) under MOC Section 2 (Self-Learning).

Subspecialty Self-Assessments: Participants may claim up to 24 hours (credits are automatically calculated) under MOC Section 3 (Self-Assessment Programs).

Credit for 2015 PREP family of self-assessments must be reported to the RCPSC by December 31, 2017. For more information on the RCPSC’s MOC program, contact the CPS Education Department at education@cps.ca.

For more about AAP and MOC, visit aap.org/mocinfo.

All pricing and specifications presented in this catalog are subject to change without notice.

Canadian MOC Accreditation
PREP® programs are Accredited Self-Assessment Programs (Section 3) as defined by the Maintenance of Certification Program of The Royal College of Physicians & Surgeons of Canada, and approved by the Canadian Paediatric Society on 11/09/2013.

CME Accreditation
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Minimum Performance Level: Per the 2010 revision of the American Medical Association (AMA) Physician’s Recognition Award (PRA) and credit system, a minimum performance level must be established on enduring material and journal-based CME activities that are certified for AMA PRA Category 1 Credit™.

In order to successfully complete the general pediatrics PREP® Self-Assessment CME activity for AMA PRA Category 1 Credit™, learners must demonstrate a minimum performance level of 70% or higher on the self-assessment, which measures achievement of the educational purpose and/or objectives of the activity.

In order to successfully complete the PREP® Subspecialty Self-Assessment CME activities (including NeoReviewsPlus™) for AMA PRA Category 1 Credit™, learners must demonstrate a minimum performance level of 60% or higher on the self-assessment, which measures achievement of the educational purpose and/or objectives of the activity.

In order to successfully complete NeoReviews™ and Pediatrics in Review™ journal-based CME activities for AMA PRA Category 1 Credit™, learners must demonstrate a minimum performance level of 60% or higher on the post-article quiz, which measures achievement of the educational purpose and/or objectives of the activity.

PREP Self-Assessments are built for professional development with learning occurring upon review and study of the critiques; the initial score achieved represents knowledge without the benefit of reading the learning component. After reading the rationale and evidence for the preferred answers, learners are able to reset the assessment and take it repeatedly as a post-test to measure their progress and achieve the minimum passing score.

The content of this CME activity does not necessarily represent the official opinion of the AAP, indicate an exclusive course of treatment, or serve as a standard of medical care.

CME Credit Information for Specific Products:
PREP The Curriculum (Page 2) is acceptable for a maximum of 76.00 AMA PRA Category 1 Credits™.

PREP Self-Assessment:
The AAP designates this enduring material for a maximum of 40.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 40.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

This program is accredited for 40.00 NAPNAP CE contact hours of which 6.5 contain pharmacology (Rx) (0.0 related to psychopharmacology) (0.0 related to controlled substances) contact hours determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 40.00 hours of Category 1 credit for completing this program.

Pediatrics in Review™ offers 36.00 CME articles per year.

The AAP designates this journal-based CME activity for a maximum of 1.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
CME ACCREDITATION/FINANCIAL DISCLOSURE

This activity is acceptable for a maximum of 1.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

This program is accredited for 1.0 NAPNAP CE contact hours; pharmacology (Rx), psychopharmacology, and controlled substance contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 1.00 hours of Category 1 credit for completing this program.

PREP Subspecialty Self-Assessments (pages 5-9)

The AAP designates this enduring material for a maximum of 24.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in each of these activities.

Each of these activities are acceptable for a maximum of 24.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credits™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 24.00 hours of Category 1 credit for completing this program.

NeoReviewsPlus™ (page 10) is acceptable for a maximum of 48.00 AMA PRA Category 1 Credits™.

NeoReviewsPlus™ Self-Assessment:

The AAP designates this enduring material for a maximum of 24.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program is acceptable for a maximum of 24.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

This program is accredited for 24.00 NAPNAP CE contact hours; pharmacology (Rx), psychopharmacology, and controlled substance contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 24.00 hours of Category 1 credit for completing this program.

NeoReviews™ offers 24.00 CME articles per year.

The AAP designates this journal-based CME activity for a maximum of 1.00 AMA PRA Category 1 Credits™ on each designated quiz. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program is acceptable for a maximum of 1.00 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

Financial Disclosure

Disclosure of Financial Relationships and Resolution of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual’s confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve “off-label” use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.
For more information about PREP, including editorial board rosters and additional resources for study, visit [http://eweb.aap.org/journals](http://eweb.aap.org/journals).

**Access your subscription:**
1. Go to the PediaLink Learning Center at PediaLink.org
2. Enter your AAP username and password
3. Click on the green CME tab to see all current registered CME activities
4. Click **Launch** for the self-assessment you choose

**Online content is accessible through PediaLink.org for up to three calendar years as follows:**
- 2013 subscriptions are accessible through 12/31/15
- 2014 subscriptions are accessible through 12/31/16
- 2015 subscriptions are accessible through 12/31/17

All pricing and specifications presented in this catalog are subject to change without notice.

Use the enclosed order forms to select editions and calculate your order. For your convenience, there are four ways to order:
