

Neonatal Resuscitation Program

7th edition Provincial Instructor update information

All NRP Instructor-Trainers and Instructors must attend either the National Update or a provincial/regional update by **September 30, 2017**.

Attendance to an update and the completion of the 7th edition online exam must be completed before starting to teach the new edition.

Scheduled update courses are indicated below, if you do not find a course in your region, please contact your [NRP provincial/regional representative](#) or the person indicated on the table.
